SECTION 1 – AUTHORITY.

This Ordinance is enacted pursuant to its general police powers and the authority in NMSA 1978, § 4-37-1 (1975) (as amended) to make and publish any ordinance to discharge the powers not inconsistent with statutory or constitutional limitations placed on counties and to exercise powers that are necessary and proper to provide for the safety, preserve the health, promote the prosperity and improve the morals, order, comfort and convenience of the County's inhabitants, and NMSA 1978, § 4-37-3 (1993) (as amended) which permits prosecution of violations of County ordinances in any court of competent jurisdiction.

SECTION 2 – DEFINITIONS.

- A. “Apprentice” means a person bound to serve another for a specified time in order to learn some art, trade, profession, or business;
- B. “Base wage” means the minimum hourly rate of compensation that an employee who customarily and regularly receives more than thirty dollars (\$30.00) a month in tips shall be paid pursuant to this Ordinance;
- C. “Commission” means a payment based on a percentage of the value of sales or other business done;
- D. “Living wage” means the minimum hourly rate of compensation that an employee shall be paid; and
- E. “Tip” means a gratuity earned by an employee for providing good service.

SECTION 3 – APPLICABILITY.

A. This Ordinance shall be effective within the exterior unincorporated boundaries of Santa Fe County.

B. Santa Fe County government shall pay the living wage established by Section 5 of this Ordinance to its employees. However, the provisions of this sub-section are expressly limited by and subject to collective bargaining agreements between Santa Fe County and any bargaining unit.

C. As of the effective date of this Ordinance, contracts entered into by Santa Fe County government for services, including construction services, shall require the contractor to pay the living wage established by this Ordinance.

D. Businesses who undertake an economic development project and execute a project participation agreement with Santa Fe County shall pay the living wage established by this Ordinance for the duration of the project.

E. Businesses required by Santa Fe County Ordinance to have a business license from Santa Fe County shall pay the living wage established by this Ordinance.

F. For purposes of identifying who shall be paid the living wage established by this Ordinance, all individuals employed by or providing work to an employer identified in subsections A through E above, whether on a part-time, full-time or temporary basis, shall be considered to be an employee for purposes of this Ordinance. Also considered an employee for purposes of this Ordinance are contingent or contracted workers, and persons working through a temporary service, staffing or employment agency or similar entity. However, the following shall not be considered employees entitled to the living wage established by this Ordinance:

(1) An individual employed by the United States, the State or any political subdivision of the State other than Santa Fe County;

(2) An individual engaged in the activities of an educational, charitable, religious or nonprofit organization where the employer-employee relationship does not, in fact, exist or where the services rendered to such organizations are on a voluntary basis;

(3) Apprentices in a registered apprentice program recognized by the State of New Mexico Apprenticeship and Training Committee or the Federal Bureau of Apprenticeship and Training, as well as any apprentice participating in an apprenticeship program providing significant instructional and practical experience and offered by a 501C(3).

(4) G.I. bill trainees during training;

(5) Temporary employees of an educational, charitable or religious youth camp or retreat where room and board is provided to the employee, or if a day camp, where board only is provided. To qualify under this exemption the employer must hold a valid certificate issued

(6) Any employee that is the parent, spouse, child or other member of the employer's immediate family; for purposes of this subsection, the employer shall include the principal stockholder of a family corporation;

(7) Interns working for a business for academic credit in connection with a course of study at an accredited school, college or university; and

(8) Persons working for a business in connection with a court-ordered community service program.

SECTION 4 – FINDINGS.

A. The Board of County Commissioners (hereinafter referred to as “the Board”) finds that the public welfare, health, safety and prosperity of citizens of Santa Fe County requires that citizens be paid a living wage sufficient to ensure a decent and healthy life;

B. The Board finds that establishing a mandatory minimum hourly wage will promote the public welfare, health, safety and prosperity by ensuring that citizens can better support and care for their families through their own efforts;

C. According to the United States Census Bureau:

(1) The average earnings per capita in Santa Fe County is twenty-three percent (23%) below the national average and the cost of living is eighteen percent (18%) above the national average; and

(2) Fifteen and six-tenths percent (15.6%) of residents in Santa Fe County lived below the poverty level between 2007 and 2011;

D. The Board finds that housing costs in Santa Fe County are higher than in most other parts of New Mexico, and low income workers spend a disproportionate percentage of their income sheltering themselves and their families;

E. The Board finds that when businesses do not pay adequate wages, the community bears the cost in the form of increased demand for taxpayer-funded social services;

F. Santa Fe County developed an affordable housing program that requires developers to include affordable homes in each subdivision, down payment assistance, assistance with roof repairs and other housing-related benefits;

G. The Board finds that it has expended public funds to provide summer programs for children residing in the County and to fund medical care for indigent residents; and

H. The Board finds that it is in the public interest to require that employers benefiting from the opportunity to do business in Santa Fe County pay employees a living wage that is adequate to meet the basic needs of living in Santa Fe County.

SECTION 5 – LIVING WAGE PAYMENT REQUIREMENTS.

A. Except as provided in subsection B, the living wage paid to an employee shall be ten dollars and sixty-six cents (\$10.66) per hour. Beginning March 1, 2015, and each year thereafter, the living wage shall be adjusted upward by an amount corresponding to the previous year's increase, if any, in the Consumer Price Index for the Western Region for Urban Wage Earners and Clerical Workers. Santa Fe County shall post the living wage established by this Ordinance on the Santa Fe County website after this Ordinance becomes effective and prior to each adjustment of the living wage.

B. An employee who customarily and regularly receives more than thirty dollars (\$30.00) a month in tips and/or commissions shall be paid at least a base wage equivalent to sixty percent of the living wage established by this Ordinance. Initially the base wage rate shall be six dollars and forty cents (\$6.40). That wage will increase simultaneous with each living wage increase. The employer may consider tips and commissions as part of wages, but the tips and commissions combined with the employer's payment of wages to the employee shall not equal less than the living wage as provided in subsection A of this section. In the event an employee earns insufficient tips and/or commissions combined with the base wage to receive a wage at least equal to the living wage established by this Ordinance, the employer shall make up the difference to ensure the employee receives a wage equal to the living wage established by this Ordinance. All tips received by such employee shall be retained by the employee, except that nothing in this section shall prohibit the pooling of tips among employees. Where employees practice tip pooling or splitting (as where staff give a portion of their tips to bus persons), only the amount actually retained by each employee shall be considered part of that employee's wages.

SECTION 6 - PROHIBITION AGAINST RETALIATION AND CIRCUMVENTION.

It shall be unlawful for any employer or employer's agent or representative to discharge, demote, deny promotion to or in any way discriminate against an employee in the terms or conditions of employment in retaliation for the person asserting a claim or right pursuant to this Ordinance or assisting another person to do so.

SECTION 7 – REMEDIES AND PENALTIES.

A. A person violating this Ordinance shall be guilty of a misdemeanor and, upon conviction, may be punished in accordance with NMSA 1978, Section 4-37-3 (1975)(as amended). A person violating any of the requirements of this Ordinance shall be guilty of a separate offense for each day or portion thereof and for each worker or person as to which any such violation has occurred. This Ordinance may be enforced by a duly authorized code enforcement officer.

B. The County, any individual aggrieved by a violation of this Ordinance, or any entity whose members have been aggrieved by a violation of this Ordinance, may bring a civil action in a court of competent jurisdiction to restrain, correct, abate or remedy any violation of this Ordinance and, upon prevailing, shall be entitled to such legal or equitable relief as may be appropriate to remedy the violation including, without limitation, reinstatement, the payment of any wages due, an additional amount as liquidated damages equal to twice the amount of any wages due, injunctive relief, and reasonable attorney's fees and costs.

C. The remedies provided in this Ordinance are not exclusive, and nothing in this Ordinance shall preclude any person from seeking any other remedies, penalties, or relief provided by law.

SECTION 8 – PROSPECTIVE APPLICATION.

Nothing in this Ordinance shall be deemed to nor shall be applied in such a manner so as to have a constitutionally prohibited effect as an *ex post facto* law or impairment of an existing contract within the meaning of New Mexico Constitution, Article II, §19.

SECTION 9 – SEVERABILITY.

The requirements and provisions of this Ordinance are severable. In the event that any requirement, provision, part, subpart or clause of this Ordinance, or the application thereof to any person or circumstance, is held by a court of competent jurisdiction to be invalid or unenforceable, it is the intent of the Board that the remainder of the Ordinance be enforced to the maximum extent possible consistent with the objective of ensuring a living wage.

SECTION 10 – NOTICE POSTING.

Any holder of a Santa Fe County business license shall, as a condition of obtaining or holding a Santa Fe County business license, post and display in a prominent location next to its business license a notice, in English and Spanish, that the business is in compliance with the provisions of this Ordinance and shall include the text of Sections 3 and 5 of this Ordinance. Failure to comply with this Section shall be construed as a violation of this Ordinance and, in addition, shall be considered grounds for suspension, revocation, or termination of the business license.

SECTION 11 – PROCEDURE.

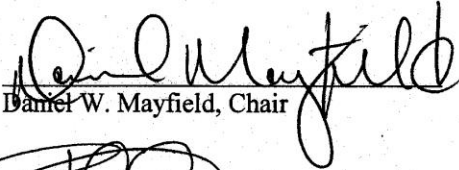

Violations of this Ordinance shall be investigated and prosecuted consistent with the process employed concerning alleged violations of the Sustainable Land Development Code, as amended. A complaint form for use in reporting violations of this Ordinance shall be available on the County webpage for use in reporting violations.

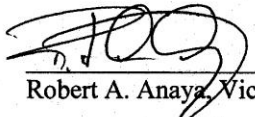

SECTION 12 – EFFECTIVE DATE.

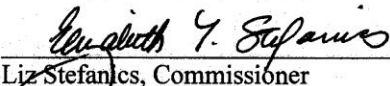

This Ordinance shall become effective sixty (60) days after its adoption by the Board.

CITY OF SANTA FE

28-1 LIVING WAGE.

28-1.1 Short Title.

This section may be cited as the "Living Wage Ordinance". (Ord. #2002-13, §1)

28-1.2 Legislative Findings.

The governing body of the city has determined that:

A. The public welfare, health, safety and prosperity of Santa Fe require wages and benefits sufficient to ensure a decent and healthy life for workers and their families;

B. Many Santa Fe workers earn wages insufficient to support themselves and their families;

C. Many Santa Fe workers cannot participate in civic life or pursue educational, cultural, and recreational opportunities because they must work such long hours to meet their households' most basic needs;

D. Minimum wage laws promote the general welfare, health, safety and prosperity of Santa Fe by ensuring that workers can better support and care for their families through their own efforts and without financial governmental assistance;

E. The average earnings per job in Santa Fe County is twenty-three percent (23%) below the national average and the cost of living is eighteen percent (18%) higher than the national average;

F. Housing costs in Santa Fe are much higher than in most other parts of New Mexico, and low income workers must therefore spend a disproportionate percentage of their income sheltering themselves and their families;

G. Livable wages also benefit employers and the economy as a whole by improving employee performance, reducing employee turnover, lowering absenteeism, and thereby improving productivity and the quality of the services provided by employees;

H. When businesses do not pay a livable wage, the community bears the cost in the form of increased demand for taxpayer-funded social services including homeless shelters, soup kitchens and healthcare for the uninsured. Coupled with high real estate values, low wages reduce the ability of low- and moderate-income residents to access affordable housing. As a result, the city has had to invest significant tax dollars to support affordable housing including funding to nonprofit organizations, purchasing land, building infrastructure and waiving fees. In addition, the city has allocated significant tax dollars to operate after school and summer recreation programs and to support nonprofit organizations offering an array of human services and children and youth services, all of which are needed by very low-income residents and their families;

I. It is in the public interest to require certain employers benefiting from city actions and funding, and from the opportunity to do business in the city, to pay employees a minimum wage, a "living wage", adequate to meet the basic needs of living in Santa Fe;

J. According to the 2000 Census, approximately twelve and three-tenths percent (12.3%) of the Santa Fe community lives below the poverty level; and

K. According to the New Mexico department of labor, twenty-three and one-half percent (23.5%) of Santa Feans who are employed in the nongovernmental sector earn hourly wages of ten dollars and fifty cents (\$10.50) per hour or less.

L. The governing body has reviewed the impact of previous minimum wage increases, relevant studies and other appropriate data, and finds that the city's minimum wage should be upwardly adjusted each year to keep pace with increases in the cost of living.

M. The governing body has found that limiting coverage of the minimum wage just to businesses with twenty-five (25) or more employees has hindered compliance and has created an uneven playing field among local businesses.
(Ord. #2002-13, §2; Ord. #2003-8, §1; Ord. #2007-43, §1)

28-1.3 Authority of the City of Santa Fe.

This Living Wage Ordinance is adopted pursuant to the general welfare and police powers conferred upon the city of Santa Fe by §3-17-1 et seq. and §3-18-1 et seq. NMSA 1978, pursuant to the powers conferred upon the city of Santa Fe by New Mexico Constitution, Article X §§6(D) and 6 (E) and the Municipal Charter Act §3-15-1 et seq. NMSA 1978, which have been exercised by the city's adoption of its "Santa Fe Municipal Charter". (Ord. #2002-13, §3; Ord. #2003-8, §2)

28-1.4 Purpose.

The purposes of this section are:

A. To have the city of Santa Fe set an example for the public and private sectors by paying its employees a minimum wage adequate to meet the basic needs of living in Santa Fe.

B. To raise the income of low-income employees of employers who contract with the city, receive grants, subsidies or other benefits from the city or benefit from the opportunity to do business in Santa Fe.
(Ord. #2002-13, §4; Ord. #2003-8, §3)

28-1.5 Minimum Wage Payment Requirements.

A. The following shall pay the minimum wage:

(1) The city of Santa Fe to all full-time permanent workers employed by the city. However, the provisions of this section are expressly limited by and subject to future union negotiations in compliance with the Fair Labor Standards Act and subsequent appropriations by the governing body in compliance with the Bateman Act;

(2) Contractors for the city, that have a contract requiring the performance of a service including construction services but excluding purchases of goods, shall pay the

minimum wage to their workers and subcontractors performing work under the contract if the total contract amount with the city is, or by way of amendment becomes, equal to or greater than thirty thousand dollars (\$30,000.); and

(3) Businesses receiving assistance relating to economic development in the form of grants, subsidies, loan guarantees or industrial revenue bonds in excess of twenty-five thousand dollars (\$25,000.) to those employed by such entity for the duration of the city grant or subsidy; and

(4) Businesses required to have a business license or business registration from the city of Santa Fe and nonprofit organizations shall pay the minimum wage to their workers for all hours worked within the city of Santa Fe that month. For purposes of this paragraph, worker shall not include any person who is related by blood or by marriage to any person who may have or possess any ownership interest in the business that employs them. For purposes of identifying persons entitled to be paid the minimum wage, all individuals employed by or providing work to the business for compensation, whether on a part-time, full-time or temporary basis, during a given month shall be counted as a worker. This definition shall include contingent or contracted workers, and persons made available to work through the services of a temporary service, staffing or employment agency or similar entity. However, interns working for a business for academic credit in connection with a course of study at an accredited school, college or university or persons working for an accredited school, college or university while also attending that school, college or university, or persons working for a business in connection with a court-ordered community service program such as teen court or workers who are in an apprenticeship program in a 501C(3) organization (such as the Santa Fe Opera) shall not be counted as a worker for such purposes.

B. Beginning January 1, 2004, the minimum wage shall be an hourly rate of eight dollars and fifty cents (\$8.50). In computing the wage paid for purposes of determining compliance with the minimum wage, the value of health benefits and childcare shall be considered as an element of wages. On January 1, 2006, the minimum wage shall be increased to an hourly rate of nine dollars and fifty cents (\$9.50). Beginning January 1, 2009, and each year thereafter, the minimum wage shall be adjusted upward by an amount corresponding to the previous year's increase, if any, in the consumer price index for the western region for urban wage earners and clerical workers.

C. For workers who customarily receive more than one hundred dollars (\$100.) per month in tips or commissions, any tips or commissions received and retained by a worker shall be counted as wages and credited towards satisfaction of the minimum wage provided that, for tipped workers, all tips received by such workers are retained by the workers, except that the pooling of tips among workers shall be permitted.

D. Nonprofit organizations whose primary source of funds is from Medicaid waivers are exempt.

E. Staff shall contract for a study or studies to review the impact of changes made to the Living Wage Ordinance approved as Ordinance No. 2007-43 on businesses of less than ten employees and on the student drop-out rate. The study shall be presented to the governing body no later than July 1, 2009.

(Ord. No. 2002-13, §5; Ord. #2003-8, §4; Ord. #2005-40; Ord. #2007-43, §2)

28-1.6 Prohibitions Against Retaliation and Circumvention.

A. It shall be unlawful for any employer or employer's agent or representative to take any action against an individual in retaliation for the exercise of or communication of information regarding rights under this section. This section shall also apply to any individual that mistakenly, but in good faith, alleges noncompliance with this section.

B. Taking adverse action against an individual within sixty (60) days of the individual's assertion of or communication of information regarding rights shall raise a rebuttable presumption of having done so in retaliation for the assertion of rights.

C. It shall be unlawful for any business or employer to intentionally circumvent the requirements of this section by contracting portions of its operation or leasing portions of its property. (Ord. #2002-13, §6; Ord. #2003-8, §5)

28-1.7 Reserved.

Editors Note: Former subsection 28-1.7, Compliance Through Collective Bargaining Process, previously codified herein and containing portions of Ordinance No. 2002-13, was repealed in its entirety by Ordinance No. 2004-38.

28-1.8 Enforcement; Remedies.

A. *Administrative Enforcement.* The city manager, or his/her designee, is authorized, as appropriate and as resources permit, to enforce this section. The city manager is authorized to investigate possible violations of this section. Where the city manager, after a proceeding that affords a suspected violator due process, concludes that a violation has occurred, the city manager may issue orders to the employer appropriate to effectuate the complaining person's rights, including but not limited to back pay and reinstatement. The city manager also has the power to order termination of any and all economic benefit derived by any offending party from the city and has the power to revoke the employer's business license or registration.

B. *Criminal Penalty.* A person violating this section shall be guilty of a misdemeanor and, upon conviction, for each offense may be subject to fines and imprisonment as set forth in Section 1-3 SFCC 1987. A person violating any of the requirements of this section shall be guilty of a separate offense for each day or portion thereof and for each worker or person as to which any such violation has occurred.

C. *Other Remedies.* The city, any individual aggrieved by a violation of this section, or any entity the members of which have been aggrieved by a violation of this section, may bring a civil action in a court of competent jurisdiction to restrain, correct, abate or remedy any violation of this section and, upon prevailing, shall be entitled to such legal or equitable relief as may be appropriate to remedy the violation including, without limitation, reinstatement, the payment of any wages due and an additional amount as liquidated damages equal to twice the amount of any wages due, injunctive relief, and reasonable attorney's fees and costs.

D. *Nonexclusive Remedies and Penalties.* The remedies provided in this section are not exclusive, and nothing in this section shall preclude any person from seeking any other remedies, penalties, or relief provided by law. (Ord. #2002-13, §8; Ord. #2003-8, §6)

28-1.9 Effect.

Nothing in this Living Wage Ordinance shall be deemed to nor shall be applied in such a manner so as to have a constitutionally prohibited effect as an ex post facto law or impairment of an existing contract within the meaning of New Mexico Constitution, Article II, §19. (Ord. #2002-13, §9)

28-1.10 Severability.

The requirements and provisions of this section and their parts, subparts and clauses are severable. In the event that any requirement, provision, part, subpart or clause of this section, or the application thereof to any person or circumstance, is held by a court of competent jurisdiction to be invalid or unenforceable, it is the intent of the governing body that the remainder of the section be enforced to the maximum extent possible consistent with the governing body's purpose of ensuring a living wage for persons covered by the section. (Ord. #2002-13, §10; Ord. #2003-8, §7)

28-1.11 Notice; Posting; and Publication.

Any business subject to the provisions of this section shall as a condition to obtaining and holding a city of Santa Fe business license or registration, post and display in a prominent location next to its business license or registration on the business premises a notice, in English and Spanish, that the business is in compliance with the provisions of this section and in particular post the text of subsections 28-1.5, 28-1.6 and 28-1.8 SFCC 1987. Failure to comply with this subsection shall be construed a violation of this section and, in addition, shall be considered grounds for suspension, revocation, or termination of the business license or registration. (Ord. #2003-8, §8)

28-1.12 Living Wage Review.

The city shall conduct a review of this section on or before July 1, 2005. In conducting said review the governing body may, at its discretion and pursuant to a duly-adopted resolution, appoint an ad hoc committee to advise and assist in making recommendations regarding this section and to investigate the economic and social effects of this section on Santa Fe. The city will contract with an independent third party to develop an evaluation that will generate objective measures on the effect of the Living Wage Ordinance on the health, security, and livelihood of Santa Feans by March 31, 2003. Data necessary for such an evaluation on Santa Fe city businesses will be compiled and presented to the governing body for their review on or before July 1, 2003. In compiling the data, consideration should be given to potential impacts on youth employment and possible recommendations that might prevent unforeseen consequences hurting children in the community. (Ord. #2003-8, §9)
